

Program Note for Chanan' Junior Recital

Welcome to Chanan's Junior Recital. Chanan is a year three of YST conservatory of music majoring in Trumpet under prof. Jon Dante and prof. Lau Wen Rong. I would like to present you an amazing recital.

The Concert will begin with the "Trumpet Concerto No. 1" by Vladimir Peskin, demonstrating my technical skill and musical expression. Then, I'll take us on a journey through "Manhattan" by Philip Sparke, a piece that captures the vibrant energy of the city in a Saturday night.

Each piece reflects my love for music and my dedication to the trumpet. This recital marks a big step in my musical journey. This is a celebration of my growth and commitment to the music.

Thank you for joining us and being a part of Chanan's musical experience!
